

Mr. NUGENT. Mr. Chairman, I offer a very simple amendment that would help keep America's strategic forces strong and robust. My amendment would make sure that the U.S. Air Force keeps the air-launched cruise missile in their arsenal. That is the AGM-86 and its variants C and D.

The replacement missile, which I agree needs to happen, the long-range standoff weapon, has faced continuous delays. At this point, the replacement missile still remains years and years away from fielding.

I would like to applaud Chairman FRELINGHUYSEN and the committee for taking action in light of the numerous setbacks and delays of this program by appropriately rephrasing funds in the underlying bill.

With such development uncertainty, I am disappointed to say that further delays are almost guaranteed.

In this high-threat environment, with heightened Russian aggression, their violations of the INF Treaty, which are now public, and also hostile Chinese adventurism in the South Pacific, we need to ensure that this Nation's defense is without a gap.

We simply can't afford to take these weapons out of the arsenal at this current moment until a replacement is up and operational. It is critically important that we maintain our existing inventory.

Mr. FRELINGHUYSEN. Will the gentleman yield?

Mr. NUGENT. I yield to the gentleman from New Jersey.

Mr. FRELINGHUYSEN. Mr. Chairman, I would like to thank the gentleman from Florida for yielding.

Let me say, we admire his strong conviction and advocacy for this program. We are prepared to accept his amendment with the understanding that we will need to study and discuss it with the Air Force to understand its full impact.

Mr. NUGENT. I absolutely appreciate the chairman doing that and would love to work with him.

Mr. FRELINGHUYSEN. I thank the gentleman.

Mr. NUGENT. I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Florida (Mr. NUGENT).

The amendment was agreed to.

AMENDMENT OFFERED BY MR. FORBES

Mr. FORBES. Mr. Chairman, I have an amendment at the desk.

The Acting CHAIR. The Clerk will report the amendment.

The Clerk read as follows:

At the end of the bill (before the short title), insert the following:

Sec. ____ (a) Notwithstanding section 8005 and 9003, of the unobligated funds authorized to be appropriated in fiscal year 2016 and made available in this Act, \$3,500,000,000 is available to transfer to the National Sea-Based Deterrence Fund established by section 2218a of title 10, United States Code, as authorized by subsection (b) of section 1022 of Public Law 113-291.

Mr. FORBES (during the reading). Mr. Chairman, I ask unanimous con-

sent that we waive the reading of the amendment.

The Acting CHAIR. Is there objection to the request of the gentleman from Virginia?

There was no objection.

The Acting CHAIR. Pursuant to House Resolution 303, the gentleman from Virginia and a Member opposed each will control 5 minutes.

The Chair recognizes the gentleman from Virginia.

Mr. FORBES. Mr. Chairman, this is the second part of a two-part amendment that deals with the sea-based deterrence fund. We began this 4 weeks ago when the Armed Services Committee put in this fund. We, at that particular point in time, transferred \$1.4 billion to the fund. In addition to that, we gave authorities for additional moneys to be transferred by the Department of Defense. Four weeks ago, we had 375 Members who voted in favor of that provision. When it was challenged on the floor a few hours ago, we had 321 Members who have supported that. All of the same individuals are supporting this fund that did so earlier.

I could repeat all that, but we have already done that, so I would just say all of the arguments we had earlier and all of the people who supported it then continue to support it now. I hope the will of the House will prevail and that the amendment will be accepted. If not, I hope it will be adopted by the House.

I yield back the balance of my time.

The Acting CHAIR. The question is on the amendment offered by the gentleman from Virginia (Mr. FORBES).

The amendment was agreed to.

Mr. FRELINGHUYSEN. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. FORBES) having assumed the chair, Mr. BOST, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2685) making appropriations for the Department of Defense for the fiscal year ending September 30, 2016, and for other purposes, had come to no resolution thereon.
